Congratulations to our HBC Soccer teams for their amazing efforts last Wednesday. A special congratulations to our boys' Allstars team for winning the B grade trophy and our girls' Eagles team for coming runner-up in the competition.

## Dear Parents and Caregivers

Thank you for your support of the Crazy Shoe Day. It was wonderful to see so many creative expressions of crazy shoes and the children certainly enjoyed the occasion. Thanks to your generosity, \$474.50 was raised to help Be Ly Thu Tra gain access to an education.

## Music / Sport Scholarship

A reminder that thanks to the generosity of Warkworth Traders, we are able to offer a scholarship in music and/or sport for six months. If you know of a deserving child who would benefit from this scholarship, please phone or email the office, or complete the google form <https://forms.gle/xeGnWk76Sf8LMXEcA> naming the child, state the type of scholarship (music or sport) and say why they are deserving. You may nominate a deserving child or your own child. Applications close at noon on **21 June**.

## Education in 2025

What will education look like in 2025? The Ministry of Education has developed this draft for what they imagine the world of learning will be like a decade from now, and it focuses on continuous learning, connectedness and acceleration through technology. What do you think are the key attributes of a successful, lifelong learner in 2025?

## Home School Partnership

Here is the fifth and final element in our series, published by *Parenting Ideas*, to guide parents and caregivers in forming strong bonds with your child's teachers this year.

### 5. Advocating (building loyalty)

Advocacy means that you talk teachers and your school up rather than tear them down among children and the wider community. Teachers hold very public positions and generally work hard to build good reputations both within their school and their wider education community. Consider a teacher's reputation among the community and also with children when you discuss educational matters with others.

Building parent-teacher relationships doesn't just happen. They take good will from both sides, a commitment to setting aside the time necessary to support the home-based learning tasks that are expected, and a willingness to communicate both concerns and commendations through the correct channels.

Parent-teacher relationships - long may they prosper!

You can read the whole [article](#) on our school website under the Parents/Knowledge links tab. You will find further parenting tips at [www.parentingideas.com.au/schools](http://www.parentingideas.com.au/schools)

A reminder that should you have a concern regarding your child, please make a time to discuss it with your child's teacher in the first instance. Should it not be resolved with the teacher, please make a time to discuss it with their team leader or with the either of the Assistant Principals, Maxine Hatful or Josie Hagger, or the Deputy Principal, Suzanne Donovan Skeens. If your concern is not resolved, please make a time to discuss it with the Principal.

You can find further information about the school's Concerns and Complaints policy, the Guidelines for Raising Concerns, as well as a flow chart to guide the process depending on the type of concern you have by visiting [www.schooldocs.co.nz](http://www.schooldocs.co.nz), type the school name in the top right-hand corner and enter: User Name: warkworth; Password: kowhai. You can type a key word in the search function to find information about this policy or any of our policies.

## Change of Clothes

Now that winter upon us, it would be a good idea for students to bring a change of clothes to school. We are very short on spare clothing to loan to students who get wet and/or muddy and parents may need to be phoned to bring replacement clothes to school. Please help us to avoid the inconvenience to everyone by reminding your child to bring clothing to change into. Thank you for your support with this.

## Spare Clothing Items

We would be grateful for donations of small girls' underwear for children who need to change during the day. Thank you.
