Congratulations Teams!

Dear Parents and Caregivers

Another wonderful week has been enjoyed with lots of learning and participation. The majority of our school were involved in the School Council initiative *Adopt a Street*. The children collected litter from the following areas: Shoesmith Domain, Shoesmith Street, Victoria Street, Albert Road, Hill Street and Kasper Street. They were pleased to see that there was very little rubbish in some of these streets. The impact of this is that the children are now being more thoughtful for our own school environment. As always our aim is to work with our families and whānau to help our children to flourish into people who are conscious of their actions. Thank you so much to the parents who assisted on the day and those who supported their children to bring gloves and tongs.

We have now come to the end of our work with artist Anna Evans and the outcome is that we have eight amazing murals created by our students that will be revealed at a later date. At our assembly on Friday we presented Anna with flowers as a thank you for the opportunity to work with her. Anna was incredibly grateful to work with our children, expressing how creative and hardworking they are. Anna also presented the school with a piece of her own art work which we will display with pride in our administration area. Thank you Anna and also thank you to Mrs Emma Edwards who has spear-headed this initiative which gave our children such a unique opportunity.

Good Luck

On Thursday, 6 teams are competing in the North Harbour Rippa Competition at Silverdale. This will be an excellent day and our teams have been training during their lunchtimes with the assistance of Mrs Shires, Mrs Natana-Weller and of course Mrs Callender. Good luck!

Seasons For Life

Each term we are fortunate enough to have the support of local facilitators to run a "Season's for Growth" program. This program *is a peer support and educational programme* that aims to strengthen the social and emotional wellbeing of children and young people who are dealing with loss or change. This may include parental divorce or separation, the death of a loved one, moving house or school, as well as many other life changes and losses. If you think your child may benefit from such a program please talk with your child's classroom teacher.

Hibiscus Coast Hockey

Congratulations to our HBC Hockey players (pictured on the front cover) for their great effort at Metro Park in Silverdale last Thursday. Our boys team was made up of half hockey and half rugby players but still managed to end up in 4th place overall in the Boys A grade. A special mention goes to our Girls A grade players who managed to place 3rd equal in the tournament. Awesome work kids! A special thank you to Mr Graeme Evans and Mr Hamish Callender for coaching the teams on the day and to all our fabulous supporters who came down to support us.

Traditional Children's Games Hour

As part of celebrating Family History Month, which is taking place at Auckland Libraries this month, Warkworth Library is running a traditional children's games hour. Games will include hopscotch, quots, skittles, pick up sticks, skipping, and blind man's bluff. Wednesday 28 August, 3:15pm at the Old Masonic Hall in Warkworth. All welcome. The library is also having a family history information scavenger hunt all during the month of August. Match the names and the information, and all correct answers go into the draw for a prize.
