There is more than meets the Eye at the Parent Teachers Association

Come and find out why!

We always welcome and **need** more parents to support the PTA. Come to our monthly meetings. Here you will find out lots of information about the school, school activities and future school projects. You will have the opportunity to contribute to the organisation and implementation of the many fund raising ideas and opportunities that need to be organised throughout the school year.

Plus you get to know some of the people behind the scenes.

Come along with no obligation, have a free cup of coffee and see for yourself! Remember if you can't make meetings, we always need your valuable volunteer time to help with fundraising activities!

Next meeting Thursday November 17th at 7.30pm senior staffroom

School GALA Saturday March 27th 2010
