KAURI COMMUNITY (C5) CAMP 2023 29 -31 March 2023 NOTICE #1

8 February 2023

Dear Parents and Caregivers

Marsden Bay Camp

A reminder that Kauri (C5) Camp will be held at Marsden Bay Christian Camp, 89 One Tree Point, Ruakaka (www.marsdenbay.co.nz) from Wednesday 29 March to Friday 31 March 2023. This is two nights and three days in Week Nine of Term One.

Purpose of Camp:

- to provide students with an authentic, outdoor education experience, in a safe and supportive environment
- to participate in outdoor education activities that will foster cooperation, team-work and individual challenge
- to provide an opportunity for students to recognise their strengths, limitations, and ability to cope successfully in an unfamiliar environment
- to develop students' confidence and awareness of personal responsibility
- to encourage students to challenge themselves (challenge by choice)

Activities:

- Adventure Forest www.adventureforest.co.nz
- Marsden Camp <https://marsdenbay.co.nz/activities/>

Parent/Caregiver Volunteers:

Parent/caregiver help is essential for our camp to operate successfully. If you would like to be considered for this role, please click [here](#) to complete the Google form or fill in the slip attached and return it to school as soon as possible. **Please note, applications close Friday 17 February.** When selecting parent support, the skills that are required for Camp will be taken into consideration. If your offer is accepted please ensure that you make the necessary arrangements for the period 29 -31 March 2023

Camp Costs:

In order for us to cover costs relating to accommodation, food, and camp activities, a donation of \$170 per child would be appreciated. This subsidised cost helps us with accommodation, transport and a trip to the Adventure Forest. This can be paid in instalments beforehand, either through the school office or via internet banking. We do ask that payment is finalised before Camp happens. We value the learning that our school camp provides but understand the financial pressures facing many families at this time. We are committed to finding solutions that might relieve such pressures. Please talk to us if you have any questions.

Consent and Medical Forms:

Consent and Medical forms are also attached with this notice. Please ensure you complete all sections and give us as much information as possible about your child. Please also let us know if we can support you in any way to complete these forms. **We would like to have these back by Friday 24 February.**

Gear List:

Please take the time to look through our camp gear list and ensure your child is organised with everything they need. If there are items on the list that you do not have, please do not go out and spend extra money to purchase these, as we are sure that family members and friends might be able to lend you the items. Kauri teachers are also really happy to help with this.

Information evening:

We will host a Parent/Caregiver Information Evening on Thursday 16 March in Kahikatea Community. This will be combined with our Year Five campers. All families are invited to attend from 5.30pm -6pm for general camp information. Following this, those parents/caregivers who are assisting with camp supervision will stay for an additional briefing from 6-7pm.

Kind regards,

Ms Bex Thompson, Miss Tamara Berrington-Hume, Miss Hayley Douglas

PARENT/CAREGIVER VOLUNTEER APPLICATION:

Yes, I would like to be considered for the role of camp volunteer and I confirm the following:

- I understand that to fulfil this role I need to be police vetted and I am willing to complete the consent form.
- I understand that I will be mainly assisting a small group of students through a rotation of activities and that my own child will not be in that group.
- I understand that I may be required to supervise a specific activity following a Health & Safety briefing, eg. kayaking, flying fox.
- I am willing to sleep in a cabin with my own child, along with other children.

Please list the reasons why you may be a good choice as a parent volunteer. You could include things like any previous experience and/or other skills that would be an asset to the camp experience e.g. playing the guitar, first aid, yoga, archery, kayaking, bushcraft skills, sports coaching etc.

Please list any attributes you have that may be of benefit to the pastoral care of children while they are at camp.

Thank you for completing this reply.
