

Mathex Competition 2023

22 May 2023

Dear Parents and Caregivers

Your child has been selected to represent our school at the upcoming 2023 Mathex Competition to be held at Whangarei Boys High School on **Thursday, 8 June**.

The Year 5 competition begins at 1:30pm (Year 6 competition is at 2.30pm) so we will all need to leave Warkworth at 11am.

- We are travelling by bus. There is space for 4 - 6 parent helpers on the bus, others may travel by private car if they wish.
- There is a cost for the bus which is subsidised by the school. Payment to attend this event is \$29 per student and is now due.
- After the event we will **return to school by bus and are expected to arrive shortly after 5pm**. Students will need to be collected from school at this time.
- We will celebrate with a Mathex shared lunch on Friday 9 June.

What to bring:

- Lunchbox and water bottle
- Sport shoes

There are risks associated with involvement in any school EOTC events and these risks cannot be completely eliminated. However, the school has identified any foreseeable risks or hazards and implemented correct management procedures to eliminate or minimise those hazards. The children will be strictly supervised and will have a good understanding of boundaries and rules before we leave school.

Please fill in the form below and ask your child to return it to the office as soon as possible.

Yours sincerely

Hayley Douglas
Mathematics Leader
